Thank You LCM

... Angel Tree Ministry Team:

We are truly blessed to have such a wonderful congregation that supports Angel Tree every year and allows us to continue to grow this ministry. We extend a very heartfelt thank you to all who participated. We were able to take the message of Jesus Christ to 258 children and 105 families.

This year Angel Tree asked us to provide the number of volunteers it takes to complete our ministry and we were astonished to realize it takes more than 50. So a very special thanks to all who helped by calling caregivers, making the angel cards, distributing angels, mapping routes, and those who purchased, organized and delivered the gifts. We were blessed again to have new volunteers as well as all of our regular Angel volunteers.

Also, a very special thank you to Vicki Melies who generously donated the use of her basement again this year and to Kurtis Johnson who made organization of gifts so much easier with his youthful legs taking all the gifts from the basement to the garage.
